Background

Nationally, trends in youth behaviors and risk and protective factors are measured using school-based surveys such as the Monitoring the Future Survey (MTF) and the Centers for Disease Control and Prevention's Youth Risk Behavior Survey (YRBS) and Youth Tobacco Survey (YTS). These surveys provide valuable national and state-level data; however, they do not provide county or school district-level data. Communities have needed access to local data to address community-specific needs and to conduct health assessments. Over the years, they have deployed a wide variety of local surveys in an attempt to address these needs, often investing substantial resources to have private survey companies collect the local data. Having many different survey instruments, means the results are then not always comparable across surveys nor over time, and counties and districts cannot usually benchmark results to state or regional samples. Consequently, communities across Ohio have repeatedly called for an inexpensive and valid survey of youth to guide local policy, program development and implementation efforts.

About the OHYES!

Purpose

The Ohio Healthy Youth Environments Survey (OHYES!) is a collaborative effort of the Ohio Departments of Education, Health and Mental Health and Addiction Services, Ohio National Guard and representatives from higher education, juvenile courts, foundations, and community service providers.

There are two main purposes with OHYES! First, the OHYES! addresses the need for data on local trends in youth behaviors and risk and protective factors. Second, it helps community-based organizations meet federal grant reporting requirements, including ones from: Strategic Prevention Framework Partnerships for Success, Drug Free Communities, Safe Schools and Healthy Students, Communities that Care Grants, and the Substance Abuse and Mental Health Services Administration (SAMHSA) Prevention and Treatment Block Grant National Outcome Measures (NOMs). Additionally, the OHYES! data may help communities when applying for local grants through foundations such as the United Way. It may also help communities meet the requirements for local health department needs assessments.

Instrument

The OHYES! survey questions cover the following topics: Demographics, Alcohol & Tobacco/Vapor Products, Marijuana & Other Drugs, Bullying, Safety & School Climate, Physical Health & Well-being, Mental Health & Gambling, Parental Attitudes of Substance Use, Community, Family & Peer Factors, and School Success. Schools may administer the standard OHYES! survey instrument, which includes 101 questions. In addition, school districts may choose to use an optional version that includes ten questions that could be sensitive to some communities (sexual behavior and suicide). This report includes all 111-items that appear on the optional version of the survey. Please see table notes for items that only appear on the optional version of the survey and are not asked when schools administer the standard version of the instrument. Currently, the survey instrument is only available in English. More information about the survey and copies of the survey instrument can be found on the OHYES! website at ohyes.ohio.gov.

Survey Administration

The OHYES! is a voluntary, web-based survey that is available to schools free of charge. The survey is scheduled to be conducted every four years, but may be administered more frequently, if a community identifies a need. All students in Ohio schools in grades 7 through 12 (age 12 or older) are eligible to participate. Superintendents and principals are solicited to have their schools complete the survey; they select the grades and percentage of students in those grades to participate.

Confidentiality

Survey administrators are provided protocols to ensure the privacy and confidentiality of the survey participants. Since the OHYES! is a web-based application, no information is collected or stored on school servers, and individual identification numbers are not collected. The data from the web application is collected and stored on secured, encrypted, and password protected servers at the Ohio Department of Mental Health and Addiction Services (OhioMHAS).

Consent

Prior to the survey administration, parents are notified and provided information about the survey. Then, they have three weeks to submit an Opt-Out Form to exclude their child from participating. At the beginning of the survey, participating students are asked for their agreement to answer the survey questions. Students have the option to skip a question and quit the survey at any time.

About this Report

Participants

This report includes results for Williams County and all Ohio students who participated in the OHYES! survey during the 2016-2017 school year. The following school districts in Williams County participated in the OHYES! survey during the 2016-2017 school year: Bryan City, Edgerton Local, Edon Northwest Local, Millcreek-West Unity Local, Montpelier Exempted Village, North Central Local, Stryker Local. For more information on OHYES! participation by school year, please visit the results section of the OHYES! website at ohyes.ohio.gov/Results.

Limitations

As a reminder, the OHYES! was designed to provide actionable local data for district superintendents and school principals based on a voluntary sample of surveyed youth. They OHYES! data were collected based on a descriptive, cross-sectional survey design, with a non-probability sampling method. The voluntary nature of the survey means that the OHYES! results are not generalizable to all Ohio youth. Further, county-level OHYES! results may not represent all students in a given county or school district. Any interpretations from the OHYES! data must keep these limitations in mind. This report may not provide numbers that are an exact match the reports available on the Ohio Department of Health (ODH) Public Health Data Warehouse. This is due to ODH data suppression rules and differing data subset criteria.

A. Demographics

OHYES! participants

Table 1: Participants

	OHYES!		County	
Response	n	%	n	%
Participants	14699	100.00	840	100.00
Total	14699	100.00	840	100.00

How old are you?

Table 2: Age

	OHYES!		County	
Response	n	%	n	%
12 years old	1092	7.48	146	17.59
13 years old	2292	15.71	174	20.96
14 years old	2467	16.91	107	12.89
15 years old	2313	15.85	121	14.58
16 years old	2982	20.44	154	18.55
17 years old	2474	16.95	117	14.10
18 years old or older	972	6.66	11	1.33
Total	14592	100.00	830	100.00

Note that there were missing values of age for 107 cases among OHYES! participants and 10 cases among county participants.

What is your sex?

Table 3: Gender

	OHYES!		County	
Response	n	%	n	%
Male	7284	49.68	422	50.36
Female	7061	48.16	404	48.21
Transgender	95	0.65	6	0.72
Gender Nonconforming	223	1.52	6	0.72
Total	14663	100.00	838	100.00

Note that there were missing values of gender for 36 cases among OHYES! participants and 2 cases among county participants.

In what grade are you?

Table 4: Grade

	OHYES!		County	
Response	n	%	n	%
7th grade	2353	16.09	277	33.09
8th grade	2548	17.42	94	11.23
9th grade	2256	15.42	122	14.58
10th grade	2664	18.21	113	13.50
11th grade	2838	19.40	193	23.06
12th grade	1944	13.29	38	4.54
Ungraded or other grade	25	0.17	0	0.00
Total	14628	100.00	837	100.00

Note that there were missing values of grade for 71 cases among OHYES! participants and 3 cases among county participants.

Are you Hispanic or Latino?

Table 5: Hispanic Origin

	OHYES!		County	
Response	n	%	n	%
No	13732	94.93	739	89.79
Yes	734	5.07	84	10.21
Total	14466	100.00	823	100.00

Note that there were missing values of Hispanic origin for 233 cases among OHYES! participants and 17 cases among county participants.

How do you describe yourself?

Table 6: Race and Hispanic Origin

	OHYES!		County	
Response	n	%	n	%
Black or African American (non-Hispanic)	529	3.64	11	1.33
White (non-Hispanic)	11261	77.57	643	77.56
Hispanic/Latino	734	5.06	84	10.13
All other races (non-Hispanic)	832	5.73	35	4.22
Multiple races (non-Hispanic)	1161	8.00	56	6.76
Total	14517	100.00	829	100.00

Note that there were missing values of race and Hispanic origin for 182 cases among OHYES! participants and 11 cases among county participants.

Among those who identified as Hispanic or Latino: How do you describe yourself?

Table 7: Hispanic Origin and Race

	OHYES!		County	
Response	n	%	n	%
Hispanic - Black or African-American	65	8.86	6	7.14
Hispanic - No Race Specified	83	11.31	9	10.71
Hispanic - Other	156	21.25	17	20.24
Hispanic - White	430	58.58	52	61.90
Total	734	100.00	84	100.00

Note that there were missing values of Hispanic origin and race for 0 cases among OHYES! participants and 0 cases among county participants.

Which of the following best describes you?

Table 8: Sexual Orientation

This question was not asked at the county level.

Note that this item only appears on the optional version of the survey instrument.

Is your father, mother or caretaker currently in the military (Army, Navy, Marines, Air Force, National Guard, or Reserves)?

Table 9: Parent in Military

	OHYES!		County	
Response	n	%	n	%
No	13955	95.31	806	96.30
Yes	456	3.11	15	1.79
Don't know	231	1.58	16	1.91
Total	14642	100.00	837	100.00

Note that there were missing values of parent in military for 57 cases among OHYES! participants and 3 cases among county participants.

How many times have you ever moved to a new address?

Table 10: Number of times moved to new address

	OHYES!		County	
Response	n	%	n	%
0 times	3362	23.01	209	25.09
1 time	4034	27.62	166	19.93
2 times	1910	13.08	104	12.48
3 times	1806	12.36	125	15.01
4 or more times	3496	23.93	229	27.49
Total	14608	100.00	833	100.00

Note that there were missing values of number of times moved to new address for 91 cases among OHYES! participants and 7 cases among county participants.

B. Family, School, and Community Environment

1. Community Environments

There are a lot of adults in my neighborhood (town, community) I could talk to about something important.

Table 11: There are a lot of adults in the neighborhood (town, community) to talk to about something important

	OHYES!		County	
Response	n	%	n	%
No	6065	46.36	355	46.34
Yes	7018	53.64	411	53.66
Total	13083	100.00	766	100.00

Note that there were missing values of adults in the neighborhood (town, community) to talk to about something important for 1616 cases among OHYES! participants and 74 cases among county participants.

On how many of the past 7 days did you take part in organized after school, evening or weekend activities (other than sports teams) such as school clubs, community center groups, music/art/dancing lessons, drama, church or other supervised activities?

Table 12: Number of days participated in organized after school, evening or weekend activities in the last 7 days

	OHYES!		County	
Response	n	%	n	%
0 days	5402	40.79	328	42.49
1 day	1857	14.02	96	12.44
2 days	1528	11.54	83	10.75
3 days	1101	8.31	48	6.22
4 days	1056	7.97	45	5.83
5 days	886	6.69	50	6.48
6 days	429	3.24	31	4.02
7 days	984	7.43	91	11.79
Total	13243	100.00	772	100.00

Note that there were missing values of number of days participated in organized after school, evening or weekend activities in the last 7 days for 1456 cases among OHYES! participants and 68 cases among county participants.

2. Family and Peer Factors

My parents talk to me about what I do in school.

Table 13: Level of agreement that parents talk to them about what they do in school

	OHYES!		County	
Response	n	%	n	%
Strongly disagree	644	4.78	52	6.57
Disagree	998	7.41	69	8.72
Neutral	2866	21.29	192	24.27
Agree	5695	42.31	309	39.06
Strongly agree	3257	24.20	169	21.37
Total	13460	100.00	791	100.00

Note that there were missing values of level of agreement that parents talk to them about what they do in school for 1239 cases among OHYES! participants and 49 cases among county participants.

My parents push me to work hard at school.

Table 14: Level of agreement that parents push them to work harder at school

	OHYES!		County	
Response	n	%	n	%
Strongly disagree	337	2.51	34	4.31
Disagree	378	2.82	29	3.68
Neutral	1862	13.87	134	17.01
Agree	4791	35.68	267	33.88
Strongly agree	6058	45.12	324	41.12
Total	13426	100.00	788	100.00

Note that there were missing values of level of agreement that parents push them to work harder at school for 1273 cases among OHYES! participants and 52 cases among county participants.

During the past 12 months, how often did your parents check on whether you had done your homework?

Table 15: Frequency that parents check homework

	OHYES!		County	
Response	n	%	n	%
Never or almost never	3091	22.96	165	20.86
Sometimes	3215	23.88	156	19.72
Often	2861	21.25	157	19.85
All the time	4296	31.91	313	39.57
Total	13463	100.00	791	100.00

Note that there were missing values of frequency that parents check homework for 1236 cases among OHYES! participants and 49 cases among county participants.

During the past 12 months, how often did your parents limit the amount of time you watched TV or time with your friends on school nights?

Table 16: Frequency parents limit the amount of time watching TV or with friends on school nights

	OHYES!		County	
Response	n	%	n	%
Never or almost never	6644	50.35	365	47.59
Sometimes	3900	29.55	237	30.90
Often	1585	12.01	89	11.60
All the time	1067	8.09	76	9.91
Total	13196	100.00	767	100.00

Note that there were missing values of frequency parents limit the amount of time watching TV or with friends on school nights for 1503 cases among OHYES! participants and 73 cases among county participants.

What best describes your parent's rules about social media in your bedroom (T.V., internet, cell phone, computer, video games, iPod, etc.)?

Table 17: Parents rules about media in bedroom

	OHYES!		County	
Response	n	%	n	%
My parents don't have any rules	8358	63.62	436	57.14
My parents have rules of when I have to turn off media in my bedroom	3942	30.00	267	34.99
My parents don't let me have any media in my bedroom	838	6.38	60	7.86
Total	13138	100.00	763	100.00

Note that there were missing values of frequency parents rules about media in bedroom for 1561 cases among OHYES! participants and 77 cases among county participants.

3. Safety and Violence

I feel safe in my neighborhood (town, community).

Table 18: Feel safe in neighborhood

	OHYES!		County	
Response	n	%	n	%
No	1209	8.28	135	16.15
Yes	13394	91.72	701	83.85
Total	14603	100.00	836	100.00

Note that there were missing values of feel safe in neighborhood for 96 cases among OHYES! participants and 4 cases among county participants.

Adverse Childhood Experiences (ACEs) are categorized into two groups on the OHYES! ACE module: abuse and family/household challenges. Each category is further divided into multiple subcategories. ACEs are associated with violence victimization and perpetration, and health and opportunity across the lifespan. As the number of ACEs increase, so does the risk for negative outcomes.

Adverse Childhood Experiences (ACEs) by category.

Table 19: Adverse Childhood Experiences (ACEs) by category

	OHYES!			County		
	Yes	Respondents	%	Yes	Respondents	%
Abuse						
Physical Abuse	1078	14189	7.60	68	823	8.26
Emotional Abuse	4170	14189	29.39	194	823	23.57
Household Challenges						
Witnessed Domestic Violence	1014	14189	7.15	65	823	7.90
Household Mental Illness	3294	14294	23.04	175	826	21.19
Household Substance Abuse	3270	14294	22.88	195	826	23.61
Parental Separation or Divorce	5462	14189	38.49	386	823	46.90
Incarcerated Household Members	1891	14294	13.23	150	826	18.16

Note that the number of missing values varies by ACE subcategory. Under some conditions you may not see a row for Sexual Abuse in the table. This is because these items only appear on the optional version of the survey instrument, and so either the participating school(s) did not complete that module or because students did not respond to the Sexual Abuse questions.

Number of Adverse Childhood Experiences

Table 20: Number of Adverse Childhood Experiences

	OHYES!		County	
Response	n	%	n	%
0	5780	40.02	323	38.82
1	3606	24.97	209	25.12
2	1908	13.21	120	14.42
3	1303	9.02	59	7.09
4 or more	1845	12.78	121	14.54
Total	14442	100.00	832	100.00

Note that there were missing values of number of adverse childhood experiences for 257 cases among OHYES! participants and 8 cases among county participants.

4. School Climate and Safety

In the past year, how often did you feel safe and secure at school?

Table 21: How often feel safe at school last year

	OHYES!		County	
Response	n	%	n	%
Never	361	2.47	30	3.59
Rarely	429	2.93	29	3.47
Sometimes	1491	10.19	87	10.41
Most of the time	6635	45.34	353	42.22
All of the time	5719	39.08	337	40.31
Total	14635	100.00	836	100.00

Note that there were missing values of how often students felt safe and secure at school for 64 cases among OHYES! participants and 4 cases among county participants.

During the past 30 days, on how many days did you not go to school because you felt you would be unsafe at school or on your way to or from school?

Table 22: Number of days did not go to school during the past 30 days because of feeling unsafe at school or on the way to or from school

	OHYES!		County	
Response	n	%	n	%
0 days	13266	90.86	777	93.05
1 day	668	4.58	24	2.87
2 or 3 days	388	2.66	17	2.04
4 or 5 days	96	0.66	5	0.60
6 or more days	183	1.25	12	1.44
Total	14601	100.00	835	100.00

Note that there were missing values of number of days students did not go to school during the past 30 days because of feeling unsafe at school or on the way to or from school for 98 cases among OHYES! participants and 5 cases among county participants.

During the past 12 months, how many times has someone threatened or injured you with a weapon such as a gun, knife, or club on school property?

Table 23: Number of times threatened by someone with a weapon on school property last year

	OHYES!		County	
Response	n	%	n	%
0 times	13259	91.51	768	92.53
1 time	687	4.74	35	4.22
2 or 3 times	297	2.05	13	1.57
4 or 5 times	74	0.51	2	0.24
6 or more times	172	1.19	12	1.45
Total	14489	100.00	830	100.00

Note that there were missing values of times students were threatened by someone with a weapon on school property last year for 210 cases among OHYES! participants and 10 cases among county participants.

What types of bullying have you experienced in the past 12 months? Note: Respondents could select all that apply.

Table 24: What types of bullying have you experienced in the past 12 months?

	OHYES!		County	
	Yes	%	Yes	%
Hit, kicked, punched, or people took belongings	1272	8.83	78	9.48
Teased, taunted, or called harmful names	3761	26.11	221	26.85
Spread mean rumors about or kept out of a group	3136	21.77	183	22.24
Teased, taunted, or threatened by e-mail, cell phone, or other electronic methods	1176	8.16	54	6.56
Nude or semi-nude pictures used to pressure someone to have sex that does not want to, blackmail, intimidate, or exploit another person	369	2.56	14	1.70
None of the above	9324	64.74	528	64.16

Note that there were missing values of types of bullying experienced for 296 cases among OHYES! participants and 17 cases among county participants. Denominators for percentages are based on 14403 available cases among OHYES! participants and 823 available cases among county participants.

Among those who have experienced bullying in the past 12 months: During the past 12 months, have you ever been bullied on school property?

Table 25: Bullied on school property last year

	OHYES!		County	
Response	n	%	n	%
No	1967	38.95	104	35.37
Yes	3083	61.05	190	64.63
Total	5050	100.00	294	100.00

Note that there were missing values of bullied on school property last year for 29 cases among OHYES! participants and 1 cases among county participants.

Among those who have experienced bullying in the past 12 months: During the past 12 months, have you ever been electronically bullied?

Table 26: Electronically bullied last year

	OHYES!		County	
Response	n	%	n	%
No	3143	62.31	198	67.35
Yes	1901	37.69	96	32.65
Total	5044	100.00	294	100.00

Note that there were missing values of electronically bullied last year for 35 cases among OHYES! participants and 1 cases among county participants.

During the past 12 months, how many times were you in a physical fight?

Table 27: Number of times in a physical fight last year

	OHYES!		County	
Response	n	%	n	%
0 times	12029	82.53	675	80.84
1 time	1504	10.32	99	11.86
2 to 5 times	769	5.28	35	4.19
6 or more times	274	1.88	26	3.11
Total	14576	100.00	835	100.00

Note that there were missing values of number of times in a physical fight last year for 123 cases among OHYES! participants and 5 cases among county participants.

Among those who were in a physical fight in the past 12 months: During the past 12 months, how many times were you in a physical fight on school property?

Table 28: Number of times in a physical fight on school property during the past year

	OHYES!		County	
Response	n	%	n	%
0 times	1473	59.06	97	62.18
1 time	710	28.47	40	25.64
2 to 5 times	230	9.22	13	8.33
6 or more times	81	3.25	6	3.85
Total	2494	100.00	156	100.00

Note that there were missing values of number of times in a physical fight on school property during the past year for 53 cases among OHYES! participants and 4 cases among county participants.

5. School Connectedness and Success

During the past 12 months, how would you describe your grades in school?

Table 29: Academic performance last year

	OHYES!		County	
Response	n	%	n	%
Mostly A's	6948	47.54	332	39.95
Mostly B's	4759	32.56	267	32.13
Mostly C's	1644	11.25	113	13.60
Mostly D's	357	2.44	33	3.97
Mostly F's	155	1.06	7	0.84
None of these grades	64	0.44	3	0.36
Not sure	688	4.71	76	9.15
Total	14615	100.00	831	100.00

Note that there were missing values of academic performance last year for 84 cases among OHYES! participants and 9 cases among county participants.

I enjoy coming to school.

Table 30: Level of enjoyment in coming to school

	OHYES!		County	
Response	n	%	n	%
Strongly disagree	1985	14.63	129	16.08
Disagree	1918	14.14	94	11.72
Neutral	5479	40.38	347	43.27
Agree	3347	24.67	176	21.95
Strongly agree	839	6.18	56	6.98
Total	13568	100.00	802	100.00

Note that there were missing values of level of enjoyment in coming to school for 1131 cases among OHYES! participants and 38 cases among county participants.

I feel like I belong at my school.

Table 31: Level of belonging at school

	OHYES!		County	
Response	n	%	n	%
Strongly disagree	1285	9.50	94	11.74
Disagree	1434	10.60	94	11.74
Neutral	4366	32.27	231	28.84
Agree	4881	36.08	268	33.46
Strongly agree	1563	11.55	114	14.23
Total	13529	100.00	801	100.00

Note that there were missing values of level of belonging at school for 1170 cases among OHYES! participants and 39 cases among county participants.

I can go to adults at my school for help if I needed it.

Table 32: Level of support from adults at school

	OHYES!		County	
Response	n	%	n	%
Strongly disagree	1162	8.59	79	9.89
Disagree	1432	10.59	75	9.39
Neutral	3530	26.09	199	24.91
Agree	5031	37.19	276	34.54
Strongly agree	2373	17.54	170	21.28
Total	13528	100.00	799	100.00

Note that there were missing values of level of support from adults at school for 1171 cases among OHYES! participants and 41 cases among county participants.

My school provides various opportunities to learn about and appreciate different cultures and ways of life.

Table 33: Level of cultural opportunities available at school

	OHYES!		County	
Response	n	%	n	%
Strongly disagree	1097	8.15	65	8.22
Disagree	1706	12.68	98	12.39
Neutral	4289	31.87	257	32.49
Agree	4710	35.00	269	34.01
Strongly agree	1657	12.31	102	12.90
Total	13459	100.00	791	100.00

Note that there were missing values of level of cultural opportunities available at school for 1240 cases among OHYES! participants and 49 cases among county participants.

6. Prevention Message

During the past 12 months, do you recall hearing, reading, or watching an advertisement about the prevention of substance use?

Table 34: Hearing, reading, or watching an advertisement about substance use prevention last year

	OHYES!		County	
Response	n	%	n	%
No	3560	25.26	310	37.99
Yes	10533	74.74	506	62.01
Total	14093	100.00	816	100.00

Note that there were missing values of hearing, reading, or watching an advertisement about substance use prevention last year for 606 cases among OHYES! participants and 24 cases among county participants.

During the past 12 months, have you talked with at least one of your parents about the dangers of tobacco, alcohol, or drug use? By parents, we mean either your biological parents, adoptive parents, stepparents, or adult guardians, whether or not they live with you?

Table 35: Parents have discussed the dangers of substance use with you within the last year

	OHYES!		County	
Response	n	%	n	%
No	6476	46.09	444	54.21
Yes	7575	53.91	375	45.79
Total	14051	100.00	819	100.00

Note that there were missing values of parents have discussed the dangers of substance use with you within the last year for 648 cases among OHYES! participants and 21 cases among county participants.

7. Vehicle Safety

During the past 30 days, how many times did you ride in a car or other vehicle driven by someone who had been drinking alcohol?

Table 36: Number of times in past 30 days rode in a car driven by someone who had been drinking

	OHYES!		County	
Response	n	%	n	%
0 times	12795	87.54	747	89.35
1 time	798	5.46	44	5.26
2 or 3 times	616	4.21	28	3.35
4 or 5 times	115	0.79	3	0.36
6 or more times	292	2.00	14	1.67
Total	14616	100.00	836	100.00

Note that there were missing values of number of times in past 30 days rode in a car driven by someone who had been drinking for 83 cases among OHYES! participants and 4 cases among county participants.

During the past 30 days, how many times did you drive a car or other vehicle when you had been drinking alcohol?

Table 37: Number of times in past 30 days drove a car when drinking

	OHYES!		County	
Response	n	%	n	%
I did not drive a car or other vehicle during the past 30 days	6659	46.05	410	49.58
0 times	7493	51.82	408	49.33
1 time	133	0.92	6	0.73
2 or 3 times	94	0.65	1	0.12
4 or 5 times	16	0.11	0	0.00
6 or more times	65	0.45	2	0.24
Total	14460	100.00	827	100.00

Note that there were missing values of number of times in past 30 days drove a car when drinking for 239 cases among OHYES! participants and 13 cases among county participants.

Among those reporting they did drive a car or other vehicle in the past 30 days: During the past 30 days, on how many days did you text or e-mail while driving a car or other vehicle?

Table 38: Texted or emailed while driving

	OHYES!		County	
Response	n	%	n	%
0 days	4746	66.38	286	75.46
1 or 2 days	797	11.15	30	7.92
3 to 5 days	367	5.13	15	3.96
6 to 9 days	258	3.61	7	1.85
10 to 19 days	294	4.11	16	4.22
20 to 29 days	228	3.19	8	2.11
All 30 days	460	6.43	17	4.49
Total	7150	100.00	379	100.00

Note that there were missing values of texted or emailed while driving for 651 cases among OHYES! participants and 38 cases among county participants.

C. Health and Well-being

1. Body Mass Index and Physical Activity

Body Mass Index – Calculated from the respondent's reported weight, height, and gender

Table 39: Body Mass Index

	OHYES!		County	
Response	n	%	n	%
Underweight (Less than 5%)	429	3.19	27	3.58
Normal or Healthy Weight (5% to 84%)	9061	67.48	477	63.18
Overweight (85% to 94%)	2057	15.32	132	17.48
Obese (95% and above)	1881	14.01	119	15.76
Total	13428	100.00	755	100.00

Note that there were missing values of body mass index for 1271 cases among OHYES! participants and 85 cases among county participants. Body Mass Index was not calculated for respondents selecting transgender or gender nonconforming.

During the past 7 days, on how many days were you physically active for a total of at least 60 minutes per day?

Table 40: Number of days of physical activity of 60 plus minutes per day in the last week

	OHYES!		County	
Response	n	%	n	%
0 days	1431	10.41	78	9.63
1 day	781	5.68	27	3.33
2 days	1070	7.79	48	5.93
3 days	1336	9.72	60	7.41
4 days	1787	13.00	77	9.51
5 days	2100	15.28	121	14.94
6 days	1459	10.62	90	11.11
7 days	3780	27.50	309	38.15
Total	13744	100.00	810	100.00

Note that there were missing values of number of days of physical activity of 60 plus minutes per day in the last week for 955 cases among OHYES! participants and 30 cases among county participants.

Which of the following are you trying to do about your weight?

Table 41: Efforts to change weight

	OHYES!		County	
Response	n	%	n	%
Lose weight	5683	41.23	343	42.14
Gain weight	1928	13.99	84	10.32
Stay the same weight	2457	17.82	167	20.52
I am not trying to do anything about my weight	3717	26.96	220	27.03
Total	13785	100.00	814	100.00

Note that there were missing values of efforts to change weight for 914 cases among OHYES! participants and 26 cases among county participants.

On an average school day, how many hours do you watch TV?

Table 42: Number of hours of TV watched on an average school day

	OHYES!		County	
Response	n	%	n	%
I do not watch TV on an average school day	2949	21.39	150	18.56
Less than 1 hour per day	3161	22.93	188	23.27
1 hour per day	2365	17.16	128	15.84
2 hours per day	2675	19.41	162	20.05
3 hours per day	1427	10.35	104	12.87
4 hours per day	535	3.88	31	3.84
5 or more hours per day	672	4.88	45	5.57
Total	13784	100.00	808	100.00

Note that there were missing values of number of hours of TV watched on an average school day for 915 cases among OHYES! participants and 32 cases among county participants.

On an average school day, how many hours do you play video or computer games or use a computer for something that is not school work?

Table 43: Number of hours playing video or computer games or using a computer for something that is not school work on an average school day

	OHYES!		County	
Response	n	%	n	%
I do not play video or computer games or use a computer for something that is not school work	2227	16.22	130	16.03
Less than 1 hour per day	1957	14.26	125	15.41
1 hour per day	1685	12.28	112	13.81
2 hours per day	2370	17.27	130	16.03
3 hours per day	2013	14.66	117	14.43
4 hours per day	1266	9.22	78	9.62
5 or more hours per day	2209	16.09	119	14.67
Total	13727	100.00	811	100.00

Note that there were missing values of number of hours played video or computer games or used a computer for something that is not school work on an average school day for 972 cases among OHYES! participants and 29 cases among county participants.

2. Nutrition

On average how many servings of fruits and vegetables do you have per day?

Table 44: Number of servings of fruits and vegetables eaten on an average day

	OHYES!		County	
Response	n	%	n	%
1 to 4 servings per day	10574	77.58	613	75.59
5 or more servings per day	1895	13.90	126	15.54
0 - I do not like fruits or vegetables	719	5.28	40	4.93
0 - I cannot afford fruits or vegetables	149	1.09	5	0.62
0 - I do not have access to fruits or vegetables	293	2.15	27	3.33
Total	13630	100.00	811	100.00

Note that there were missing values of number of servings of fruits and vegetables eaten on an average day for 1069 cases among OHYES! participants and 29 cases among county participants.

During the past 7 days, how many times did you drink a can, bottle, or glass of soda or pop, such as Coke, Pepsi, or Sprite?

Table 45: Number of times drank soda or pop in the last week

	OHYES!		County	
Response	n	%	n	%
I did not drink soda or pop during the past 7 days	4536	33.34	270	33.50
1 to 3 times during the past 7 days	5586	41.05	324	40.20
4 to 6 times during the past 7 days	1415	10.40	83	10.30
1 time per day	780	5.73	46	5.71
2 times per day	618	4.54	34	4.22
3 times per day	270	1.98	21	2.61
4 or more times per day	402	2.95	28	3.47
Total	13607	100.00	806	100.00

Note that there were missing values of number of times drank soda or pop in the last week for 1092 cases among OHYES! participants and 34 cases among county participants.

During the past 7 days, on how many days did you eat breakfast?

Table 46: Number of days ate breakfast during the last week

	OHYES!		County	
Response	n	%	n	%
0 days	1815	13.30	135	16.81
1 day	953	6.98	61	7.60
2 days	1383	10.13	83	10.34
3 days	1107	8.11	58	7.22
4 days	1176	8.62	68	8.47
5 days	1228	9.00	66	8.22
6 days	976	7.15	44	5.48
7 days	5008	36.70	288	35.87
Total	13646	100.00	803	100.00

Note that there were missing values of number of days ate breakfast during the last week for 1053 cases among OHYES! participants and 37 cases among county participants.

3. Wellness Visit

When was the last time you saw a doctor or a nurse for a check-up when you were not sick or injured?

Table 47: Recency of visiting doctor or a nurse for a check-up when you were not sick or injured

	OHYES!		County	
Response	n	%	n	%
During the past 12 months	8204	60.43	418	52.25
Between 12 and 24 months	1301	9.58	52	6.50
More than 24 months	513	3.78	35	4.38
Never	1052	7.75	88	11.00
Not sure	2506	18.46	207	25.87
Total	13576	100.00	800	100.00

Note that there were missing values of recency of visiting doctor or a nurse for a check-up when you were not sick or injured for 1123 cases among OHYES! participants and 40 cases among county participants.

When was the last time you saw a dentist for a check-up, exam, teeth cleaning, or other dental work?

Table 48: Recency of last visit to dentist for a check-up, exam, teeth cleaning, or other dental work

	OHYES!		County	
Response	n	%	n	%
During the past 12 months	10077	74.52	510	63.99
Between 12 and 24 months	1236	9.14	84	10.54
More than 24 months	581	4.30	52	6.52
Never	319	2.36	29	3.64
Not sure	1310	9.69	122	15.31
Total	13523	100.00	797	100.00

Note that there were missing values of recency of last visit to dentist for a check-up, exam, teeth cleaning, or other dental work for 1176 cases among OHYES! participants and 43 cases among county participants.

4. Concussion

During the past 12 months, did you suffer a blow or jolt to your head while playing with a sports team (either during a game or during practice) which caused you to get knocked out, have memory problems, double or blurry vision, headaches or pressure in the head, or nausea or vomiting?

Table 49: Suffered a head injury while playing with a sports team in the last year

	OHYES!		County	
Response	n	%	n	%
No	11746	86.92	687	86.09
Yes	1767	13.08	111	13.91
Total	13513	100.00	798	100.00

Note that there were missing values of suffered a head injury while playing with a sports team in the last year for 1186 cases among OHYES! participants and 42 cases among county participants.

5. Tanning

During the past 12 months, how many times did you use an indoor tanning device such as sunlamp, sunbed or tanning booth?

Table 50: Number of times used an indoor tanning device in the last 12 months

	OHYES!		County	
Response	n	%	n	%
0 times	12552	92.90	724	90.84
1 time	240	1.78	17	2.13
2 to 5 times	245	1.81	20	2.51
6 or more times	475	3.52	36	4.52
Total	13512	100.00	797	100.00

Note that there were missing values of number of times used an indoor tanning device in the last 12 months for 1187 cases among OHYES! participants and 43 cases among county participants.

6. Sleep

On an average school night, how many hours of sleep do you get?

Table 51: Number of hours of sleep on average school night

	OHYES!		County	
Response	n	%	n	%
4 hours or less	1255	8.59	60	7.19
5 hours	1899	13.00	88	10.54
6 hours	3138	21.49	144	17.25
7 hours	4012	27.47	221	26.47
8 hours	3019	20.67	216	25.87
9 hours	1021	6.99	81	9.70
10 or more hours	261	1.79	25	2.99
Total	14605	100.00	835	100.00

Note that there were missing values of number of hours of sleep on average school night for 94 cases among OHYES! participants and 5 cases among county participants.

D. Mental Health

1. Patient Health Questionnaire for Psychological Distress

Subscales are used to assess anxiety and depression. Participants answer two questions on anxiety and two questions on depression with responses that range from "Not at all" to "Nearly every day." To create the subscales, each response is given a numerical value and the participant's responses for the two questions are summed up (score range, 0 to 6). A score of three or greater is considered positive for screening purposes.

Responses from the two questions on anxiety and the two questions on depression are assigned values and combined for each participant (score range, 0 to 12). A score of 6 or greater is considered positive for screening purposes.

Table 52: Patient Health Questionnaire for Psychological Distress (PHQ-4)

	OHYES!		County	
Response	n	%	n	%
% with anxiety issues warranting further exploration by a mental health professional*	3808	26.07	163	19.47
% with depression issues warranting further exploration by a mental health professional*	2631	18.08	141	16.91
% with mental health issues warranting further exploration by a mental health professional*	2882	19.61	135	16.07

Note: *These cutoffs are based on published thresholds for the 95th percentile for the population on the PHQ-4, where survey items primarily assess depression and anxiety. These measures serve as a brief screening tool, as opposed to a comprehensive measure of mental health issues.

2. Suicide

During the past 12 months, did you ever feel so sad or hopeless almost every day for two weeks or more in a row that you stopped doing some usual activities?

Table 53: In the past year felt sad or hopeless almost every day for two weeks or more in a row

	OHYES!		County	
Response	n	%	n	%
No	10855	75.66	641	77.04
Yes	3493	24.34	191	22.96
Total	14348	100.00	832	100.00

Note that there were missing values of felt sad or hopeless almost every day for two weeks or more in a row in the past year for 351 cases among OHYES! participants and 8 cases among county participants.

During the past 12 months, did you ever seriously consider attempting suicide?

Table 54: During the past year seriously considered attempting suicide

This question was not asked at the county level.

Note that this item only appears on the optional version of the survey instrument.

Among those who have seriously considered attempting suicide in the past 12 months: During the past 12 months, how many times did you actually attempt suicide?

Table 55: Number of times attempted suicide during the past year

This question was not asked at the county level.

Note that this item only appears on the optional version of the survey instrument.

Among those who attempted suicide in the past 12 months: If you attempted suicide during the past 12 months, did any attempt result in injury, poisoning, or overdose that had to be treated by a doctor or nurse?

Table 56: Attempted suicide that resulted in injury, poisoning, or overdose that had to be treated

This question was not asked at the county level.

Note that this item only appears on the optional version of the survey instrument.

3. Coping Strategies

When you are stressed out, how do you manage it? Note: Respondents could select all that apply.

Table 57: When you are stressed out, how do you manage it?

	OHYES!		County	
	Yes	%	Yes	%
I do not have any stress	1769	12.41	142	17.30
Manage stress through physical activity	7462	52.33	387	47.14
Manage stress through meditation, prayer, or relaxation	2721	19.08	143	17.42
Manage stress by participating in hobbies or community service	3611	25.32	180	21.92
Manage stress through creative expression	4459	31.27	217	26.43
Manage stress with support from others	4055	28.44	193	23.51
Manage stress by avoiding people who create drama	6247	43.81	359	43.73
Manage stress by limiting social media	2127	14.92	109	13.28

Note that there were missing values of how stress is managed for 440 cases among OHYES! participants and 19 cases among county participants. Denominators for percentages are based on 14259 available cases among OHYES! participants and 821 available cases among county participants.

When was the last time you saw a doctor, nurse, therapist, social worker, or counselor for a mental health problem?

Table 58: Last time saw a health care provider for a mental health problem

	OHYES!		County	
Response	n	%	n	%
During the past 12 months	4019	27.82	255	30.69
Between 12 and 24 months	669	4.63	28	3.37
More than 24 months	744	5.15	18	2.17
Never	6891	47.70	378	45.49
Not sure	2123	14.70	152	18.29
Total	14446	100.00	831	100.00

Note that there were missing values of last time students saw a health care provider for a mental health problem for 253 cases among OHYES! participants and 9 cases among county participants.

E. Substance Use

1. Alcohol

How old were you when you had your first drink of alcohol other than a few sips?

Table 59: Age when first drank more than few sips of alcohol

	OHYES!		County	
Response	n	%	n	%

Total	13716	100.00	807	100.00

Note that there were missing values of how wrong do your friends feel it would be for you to smoke marijuana for 983 cases among OHYES! participants and 33 cases among county participants.

How do you feel about someone your age trying marijuana or hashish once or twice?

Table 100: How do you feel about someone your age trying marijuana or hashish once or twice

	OHYES!		County	
Response	n	%	n	%
Neither approve nor disapprove	4483	32.62	176	21.84
Somewhat disapprove	2670	19.43	118	14.64
Strongly disapprove	6592	47.96	512	63.52
Total	13745	100.00	806	100.00

Note that there were missing values of how do you feel about someone your age trying marijuana or hashish once or twice for 954 cases among OHYES! participants and 34 cases among county participants.

How do you feel about someone your age using marijuana once a month or more?

Table 101: How do you feel about someone your age using marijuana once a month or more

	OHYES!		County	
Response	n	%	n	%
Neither approve nor disapprove	4464	32.62	179	22.29
Somewhat disapprove	2629	19.21	118	14.69
Strongly disapprove	6590	48.16	506	63.01
Total	13683	100.00	803	100.00

Note that there were missing values of how do you feel about someone your age using marijuana once a month or more for 1016 cases among OHYES! participants and 37 cases among county participants.

6. Illicit Drugs

During the past 12 months, has anyone offered, sold, or given you an illegal drug at any of the following places? Note: Respondents could select all that apply

Table 102: Illegal drugs solicitation in the past 12 months

	OHYES!		County	
	Yes	%	Yes	%
On school property	666	4.79	28	3.47
On the school bus	195	1.40	13	1.61
At a friend's house	836	6.01	28	3.47
In my neighborhood	658	4.73	39	4.83
At none of these locations	12422	89.28	743	92.07

Note that there were missing values of illegal drugs solicitation items for 785 cases among OHYES! participants and 33 cases among county participants. Denominators for percentages are based on 13914 available cases among OHYES! participants and 807 available cases among county participants.

F. Gambling

During the past 12 months, how often did you gamble money or personal items such as while playing cards, betting on personal skills or sports teams, buying lottery tickets or scratch-offs, or using the Internet?

Table 103: Frequency gambled money or personal items in the past 12 months

	OHYES!		County	
Response	n	%	n	%
I did not gamble money or personal items during the past 12 months	11365	85.48	681	88.21
Less than once a month	1076	8.09	54	6.99
About once a month	434	3.26	15	1.94
About once a week	249	1.87	9	1.17
Daily	172	1.29	13	1.68
Total	13296	100.00	772	100.00

Note that there were missing values of frequency gambled money or personal items in the past 12 months for 1403 cases among OHYES! participants and 68 cases among county participants.

Among those who have gambled in the past 12 months: During the past 12 months, how often did you gamble money or personal items such as while playing cards, betting on personal skills or sports teams, buying lottery tickets or scratch-offs, or using the Internet?

Table 104: Frequency gambled money or personal items in the past 12 months

	OHYES!		County	
Response	n	%	n	%
Less than once a month	1076	55.72	54	59.34
About once a month	434	22.48	15	16.48
About once a week	249	12.89	9	9.89
Daily	172	8.91	13	14.29
Total	1931	100.00	91	100.00

Note that there were missing values of frequency gambled money or personal items in the past 12 months for 0 cases among OHYES! participants and 0 cases among county participants.

Among those who have gambled in the past 12 months: During the last 12 months, have you ever gambled more than you planned to?

Table 105: Gambled more than planned in the last 12 months

	OHYES!		County	
Response	n	%	n	%
No	1420	73.92	63	69.23
Yes	501	26.08	28	30.77
Total	1921	100.00	91	100.00

Note that there were missing values of gambled more than planned in the last 12 months for 10 cases among OHYES! participants and 0 cases among county participants.

Among those who have gambled in the past 12 months: During the last 12 months, have you ever felt bad about the amount you bet, or about what happens when you bet money?

Table 106: Felt bad about the amount bet or about what happens when betting in the last 12 months

	OHYES!		County	
Response	n	%	n	%
No	1471	77.58	65	74.71
Yes	425	22.42	22	25.29
Total	1896	100.00	87	100.00

Note that there were missing values of felt bad about the amount bet or about what happens when betting in the last 12 months for 35 cases among OHYES! participants and 4 cases among county participants.

Among those who have gambled in the past 12 months: During the last 12 months, have you ever hidden from family or friends any betting slips, I.O.U.s, lottery tickets, money that you have won, or other signs of gambling?

Table 107: Hidden from family or friends signs of gambling in the last 12 months

	OHYES!		County	
Response	n	%	n	%
No	1697	89.74	81	91.01
Yes	194	10.26	8	8.99
Total	1891	100.00	89	100.00

Note that there were missing values of hidden from family or friends signs of gambling in the last 12 months for 40 cases among OHYES! participants and 2 cases among county participants.

Among those who have gambled in the past 12 months: Have you ever lied to people important to you about how much you gamble?

Table 108: Lied to important people about gambling

	OHYES!		County	
Response	n	%	n	%
No	1116	89.57	51	82.26
Yes	130	10.43	11	17.74
Total	1246	100.00	62	100.00

Note that there were missing values of lied to important people about gambling for 685 cases among OHYES! participants and 29 cases among county participants.

G. Sexual Health

1. Sexual Behavior

Have you ever had sexual intercourse?

Table 109: Ever had sexual intercourse

This question was not asked at the county level.

Note that this item only appears on the optional version of the survey instrument.

Among those who reported ever having sexual intercourse: The last time you had sexual intercourse, what one method did you or your partner use to prevent pregnancy?

Table 110: Method of pregnancy prevention during last sexual intercourse

This question was not asked at the county level.

Note that this item only appears on the optional version of the survey instrument.

Among those who reported ever having sexual intercourse: The last time you had sexual intercourse, did you or your partner use a condom?

Table 111: Used a condom during last sexual intercourse

This question was not asked at the county level.

Note that this item only appears on the optional version of the survey instrument.

Among those who reported ever having sexual intercourse: During the past 3 months, with how many people did you have sexual intercourse?

Table 112: Number of sexual intercourse partners in the last 3 months

This question was not asked at the county level.

Note that this item only appears on the optional version of the survey instrument.

Among those who reported ever having sexual intercourse: Did you drink alcohol or use drugs before you had sexual intercourse the last time?

Table 113: Drank alcohol or use drugs before last sexual intercourse

This question was not asked at the county level.

Note that this item only appears on the optional version of the survey instrument.
